RE: Olivia Marinell

To Whom It May Concern:

I have worked with Olivia Marinell for the past two years. I have learned to always trust Olivia's judgment regarding the condition of my patients. Olivia provides very reliable care in a friendly/loving home atmosphere. She is extremely trust-worthy.

I would recommend this EDT Senior Home Care Facility to anyone who desires first rate care such as my patients have received from these care-givers.

Sincerely,

Seth B. Franklin, M.D.
